Experience

Gloves International Inc.

Design Director | July 2017 - Present

As the Director of Design, my responsibilities include managing all new product design, working with factories on development, managing the ecommerce web stores and building web content, managing marketing, social media accounts and advertising for the company, along with working in sales for the company.

K-T Support Group

Board Member | April 2016 - Present

Serving as a board member with various duties, have been involved with the group for 15 years.

National Jukebox Exchange | Mayfield, NY

Director of Multimedia | 2009 - 2017

Wrote two books, "No Tampering! A Guide to Papa's Re-creations" and "The Wurlitzer Model 1015"; All layout, design, photography, custom typography design and written portions. Reproduced graphics from early 1900s-1940s in different mediums. Built, designed and maintained nationaljukebox.com and arcadetreasures.com. Created advertising including motion, print graphics, and branding. Designed 3D printed parts for prototyping and production use. Handled buying and selling merchandise. Conducted research antique items for website articles.

The Grandoe Corporation | Gloversville, NY

Animation Intern | June - August 2011

Taught Adobe After Effects. Directed and produced nine product videos, presented as a QR code on product packaging. Handled videography, background music creation, video editing, compositing, 3D and info-graphic animation.

The Leader Herald | Gloversville, NY

Graphic Design Intern | June 2011

Formatted memorials and ads; Created large flyers and holiday banners for printed newspaper.
